Travel services are required across all our regions of operation which include the Middle East, Europe, Africa, and Americas. ARK is a stabilisation and development company committed to empowering local communities and beneficiaries in conflict, post-conflict, and fragile areas through the provision of evidence-based programmatic interventions, policy recommendations, research, and capacity-building. Working with local communities, it seeks to understand and then mitigate the negative effects of conflict and instability, enhancing social cohesion and resilience whilst promoting human security, development, and economic opportunity. Requirement ARK's travel management service is provided by a travel agency based in Dubai with the current agreement ending in May 2024.
