

**WELCOME**  
**SafetyTech Forum | 28 May 2026 | Leonardo Royal Hotel, Birmingham**  
**Sponsorship & Exhibition Opportunities**

Promote your company and showcase your brand at the inaugural SafetyTech Forum.  
This one-day conference will explore the latest innovations and technology  
supporting safety on all modes of transport.

Bringing together industry leaders, policymakers, researchers, operators, and technology innovators, the Forum will include keynote presentations, expert panels and interactive discussions, setting out the latest in the safety tech space.

Explore the networking and promotional opportunities available to help raise your company profile and meet your business objectives.

---
